Dear Governor Johnson:

Enclosed is a copy of a memorandum dated May 11, 1977 from U.S. Geological Survey, together with a copy of the Environmental Analysis of The Anaconda Company's proposed FW2-FW3 Mine Project, Uranium Mining Lease No. 1.

These documents are submitted for your review, comments, and recommendations. Following your review of the Environmental Analysis, please return the Analysis to this office with your comments for submission to USGS.
